PASSBOOKS

All boxers must have a Passbook to box in the Golden Gloves. Renewing boxers can go online to USA Boxing to register and print their membership (put it in your Passbook). New members must go to USA Boxing to register. Send your birth certificate, two pictures and physical form to Vickie Elder.

PHYSICALS

All boxers must have a physical form filled out and in the back of their passbook. Physicals are good for 12 months, so if your boxer had their last physical in April of 2021, the boxer will need another physical for the 2022 event. If the physical forms are not in their passbooks, they will not be allowed to box.

NATIONALS

The National Tournament will be held this year from August 14 through 21 in Tulsa, OK. We will take the open class champions to the nationals as long as they have a bout at the state tournament. Since we did not have the state tournament last year, we lost money because we already had everything set up and ready to go before it was cancelled. We are not sure how many people will attend this year either or how many Tyndall will allow us to have in the building each week. If you have a boxer who is unopposed and want to go, they will have to pay their own way.
